*Theme: Business and Human Rights*

## World Citizenship Congress

In today's world, we find ourselves competing for limited resources and sacrificing someone else's life in order to provide for our affluent lifestyle. Now is the time for the youth in the world to have the opportunity to come together to solve the world's problems!

In WCC, we will discuss world issues on Metaverse and hold World Peace Summit in Osaka to make a proposal approved by all participants from 50 countries. Then, we will bring the declaration to the United Nations in Geneva! We need your young help, so please join us and let's solve the world's problem together!

**Free of charge**
